

## Town of Binghamton Senior Citizens Commission

### Lisa's Holiday Activities 2024

Town of Binghamton Seniors interested in Lisa's activities below are asked to express interest via (607) 772-0357 x301 or by dropping a note in the Seniors Survey box which is still located in the Town Hall lobby. Once she knows whether folks are interested in attending, the activities will be scheduled in December, and you will be notified. **Don't forget to leave a phone number so she can notify you of the scheduling!**

Do you know of a Senior with no family **who may not receive any holiday gift**? Please submit their name & address - you can do it anonymously - along with suggestions (if any) for useful or desired small gifts (along with proper holiday), and we will gather together to wrap such items and deliver them at the holidays.

Would you like to **create easy yet unique holiday gifts** in a fun atmosphere? Let's get together (soon!) to paint small wooden objects, decorate and fill clear hollow ornaments, make stuffed ornaments (stars, gnomes, hearts, stockings, Christmas trees, snowflakes, bears), or applique decorated draft stoppers (rows of sheep, reindeer, Christmas trees or your own ideas) using simple sewing or hot glue techniques. Please indicate your preference of activity when expressing your interest so the proper supplies can be provided.

**Coming up in 2025:** Do you knit/crochet? Would you like to learn? We're putting together a group to create warm mittens, scarves & hats in sizes from baby to adult to fasten to local trees for people in need to "adopt" anonymously. Supplies & patterns and/or instruction will be provided. If there's enough interest, we might even make some by sewing patterns from fleece fabric.
