

The Southern Tier Cancer Services Program

BRIDGES THE GAPS

between you and life-saving cancer screenings

Uninsured?

Can't afford cancer screenings
because of a high deductible?

- **FREE** breast, cervical, & colorectal cancer screenings for eligible New York State residents
- **FREE** follow-up diagnostic testing if a screening finds something abnormal
- Enrollment in the Medicaid Cancer Treatment Program if certain cancers are detected
- Support for appointment making, transportation, and other related needs
- No income eligibility
